

SENATE OF SERAMPORE COLLEGE

Guidelines for the D.Min Entrance examination: - 2021

1. Question should be based on “Ministerial and Missiological Challenges in India and South Asian contexts” in contemporary society today. Hence, the questions should be focused on what is Pastoral ministry and missiological approaches relevant in contemporary society today. (questions on the foundational issues of biblical and theological on ministry and mission)
2. The question should be also focused on the critical and analytical assessment of the candidate’s ability to comprehend contextual issues, and sensitivity to the struggles of the community.
3. How the candidate should respond to emerging challenges to the ministry - pastorally and missiologically.

No book is recommended for the D.Min entrance exam but the candidate is expected to be aware of the pastoral ministry and missiological challenges and its respond to the issues.
